I. ACCESSIBILITY FOR ONTARIANS WITH DISABILITIES POLICY (AODA) & CUSTOMER SERVICE STANDARDS

PREAMBLE:

In delivering a service that is licensed by the Ministry of Education, Early Learning Division, Plains Rd Child Care (herein referred to as "PRCC" or "the Centre") is committed and responsible to deliver services which promote health, safety, and welfare of the clients being served. The Centre is responsible to be accountable to the Ministry of Education, Ministry of Social Services as well as the Ministry of Labour, and specifically to demonstrate that service delivery is consistent with relevant legislation, regulations and policies for both Ministries.

This policy has been developed in accordance with the *Accessibility Standards for Customer Service, Ontario Regulation 429/07 - Accessibility for Ontarians with Disabilities Act, 2005 (AODA)*. The regulation requires accessibility standards for customer service if the organization provides goods or services to the public or other third parties.

All legislated changes impacting this policy will be reflected in PRCC policy through updates, on an on-going basis. The policy will be reviewed by the Board of Directors annually in accordance with applicable legislation. No changes will be made to this policy before considering the impact on people with disabilities.

This policy applies to all employees, volunteers, students and members of the Board of Directors, of PRCC who interact with the public and other third parties. This policy will be reviewed with each employee, volunteer, student, and or Board member prior to working/volunteering at the Centre, and at least annually thereafter.

PURPOSE:

The purpose of this policy is to develop, implement, and enforce accessibility standards in order to achieve accessibility for persons with disabilities with respect to goods and services provided at PRCC.

OUR COMMITMENT:

PRCC strives to provide our goods and services in a respectful and accessible manner to all customers and clients, including persons with disabilities. Persons with disabilities will benefit from the same services, in the same place, in a similar way, as other customers or clients. It is the commitment of PRCC to provide equitable treatment, with respect to providing our goods and services without discrimination in accordance with the provisions of the Ontario Human Rights Code.

When providing our goods and services to a person with a disability, we are committed to the following four core principles:

- **Dignity** – Our service should be provided in a method that allows a person with a disability to maintain self-respect and the respect of others.
- **Independence** – We strive to provide an environment that allows a person with a disability to access our services without help from others.
- **Integration** – A person with a disability should be able to benefit from the same services as others. Only use an alternative method when it is necessary to allow a person with a disability to access our goods and services. If we are unable to remove a barrier, we need to offer other methods to provide services to people with disabilities, always remembering these principles.
